

# CLASS PARTICIPATION

## ATTEND LIVE CLASS MEETINGS

Have your camera on whenever possible, and keep your mic on mute if you're not talking to prevent background noise.

## USE RAISE HAND FEATURE

To keep our conversation open to all students, click the "Raise Hand" button to add to our class discussion.

## CONTRIBUTE VIA CHAT

Raise new topics, respond to others' comments, ask a question, post relevant links. The chat is a great tool to deepen our discussion!

## USE REACTIONS

A quick way to show engagement and understanding during our calls.

## PARTICIPATE IN BREAKOUT ROOMS

Serve as facilitator, note taker, time keeper, or reporter. Engage in the given activity, and prepare to share your discussion with the whole class.

## ADD TO CLASS NOTES

Add your perspective to a shared document that can later serve as collaboratively created class notes.

## SYNCHRONOUS

## ASYNCHRONOUS

## WATCH CLASS VIDEOS

Watch pre-recorded lecture and live-recorded class meetings. For best results, take handwritten notes while viewing. Complete any related quizzes.

## COMPLETE CLASS READINGS

Use any provided pre-reading assignments to dig into posted readings. Note major themes, and make connections with ongoing class discussions.

## ENGAGE VIA ONLINE DISCUSSION BOARDS

Explore material further by adding your own discussion topics, and commenting on posts made by your classmates.

## ASK FOR HELP

Reach out to your instructor and/or classmates with questions or concerns about content, assignments, or course management. You can email your instructor, post to a course discussion forum, or book an online meeting.
