

# CHRIST OUR KING

Henry Lettermann

Richard Hillert

1. The wise men awed are wor- ship- ping  
2. Let Her- od and let Cae- sar rage,  
3. The ho- ly ser- a- phim take wing,

Be- fore the star- lit gift to earth;  
Be- neath the Lord's com- pel- ling hands;  
Be- fore His throne tri- um- phant- ly;

We with them kneel and trib- ute bring,  
All that the proph- ets did pre- sage,  
Al- might- y In- fant con- quer- ing,

And pay our hom- age to His birth!  
In Je- sus' birth com- plet- ed stands!  
We cel- e- brate Thy vic- tor- y!

Let all for- giv- en man- kind sing,  
No more shall death's de- spair- ing wage,  
Let all re- deemed cre- a- tion sing,

The gra- cious reign of Christ our King!  
The strick- en souls of men en- gage!  
The glor- ious reign of Christ our King!
