

Our Core Values

As part of Concordia University Chicago we value:

Christian Faith

Provide a Christian environment for our children, share our faith in Jesus, and view nature as our direct connection to God, our Creator.

The Individual

Help each child recognize his or her inherent worth as a unique member of God's creation.

Excellence

Communicate that teachers, children and families are lifelong learners, striving to continuously improve and embrace change.

Integrity

Demonstrate honesty in all relationships and harmony between our beliefs and practices.

Service

Recognize and address the needs of others in response to God's love for us.
