

Medical/ Immunization Records

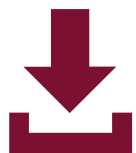

All in person/face-to-face students are required to use **Med+Proctor** to submit medical/immunization records.

Submitting this information is easy!

Step 1: Register

Click on the link **“Submit your Immunization Forms”** in Concordia Connect, which can be found on the CUC Experience tab. You will then need to log in with your CUC username and password.

Step 2: Download

Fill out any required personal, medical or insurance information. Download the required forms and follow the directions provided.

Step 3: Upload

Log back in to your Med+Proctor account and upload a copy of your forms. Make sure your forms are complete and legible. You will receive an email confirmation once the forms have been reviewed.

Required Immunizations

- **Measles, mumps, rubella (MMR):** Two vaccinations after your first birthday (not required if you were born before January 1, 1957).
- **Meningitis:** One vaccination after 16th birthday (for students 22 years and younger).
- **Tetanus, Diphtheria and Pertussis (TDAP):** At least 3 doses of diphtheria, tetanus and pertussis containing vaccine are REQUIRED. One dose must be TDAP (tetanus/diphtheria/pertussis) within the past 10 years.
- **TB Testing:** Required for international students ONLY within the last 12 months. Must upload chest x-ray if TB Skin test is failed.

Medical and Religious Exemption

To qualify for a religious or medical exemption, you will need to complete the vaccine exemption form. The form must be signed by you and a healthcare provider. The State of Illinois requires a visit with your healthcare provider to discuss implications of not having all your vaccines.
