AAS in Management

College of DuPage and Concordia University Chicago
3+1 Bachelor of Arts Degree in Healthcare Management

A convenient, affordable and streamlined approach to earn a Bachelor of Arts degree in Healthcare Management

Program Overview

- All classes are held at the College of DuPage Glen Ellyn campus.
- The final 33 Concordia University Chicago credit hours are offered at a reduced tuition rate.

Who can enroll in the programs?

- Students who have completed an Associate in Applied Science (AAS) degree in Management at COD.
- New students interested in pursuing a Bachelor of Arts degree in Healthcare Management offered by Concordia University Chicago at College of DuPage.
- Students who graduated from College of DuPage and went elsewhere can be considered for admission for this 3+1 program if they complete any necessary prerequisites.

How does the program work?

- For students earning an AAS in Management, the program consists of 130 credit hours, including 97 credit hours of COD courses and 33 credit hours of Concordia University Chicago coursework.
- Students should apply for admission to Concordia University Chicago one full semester prior to starting Concordia University Chicago coursework.
- The partnership with Concordia University Chicago indicates growing recognition for the academic quality and expertise of the AAS degree at College of DuPage.

The financial advantage

With the 3+1 program, students pay College of DuPage tuition rates for College of DuPage coursework. Fourth-year classes at Concordia University Chicago are offered at a significantly reduced rate, making the goal of continuing their education a reality for more students. This program exemplifies College of DuPage’s mission to make education more affordable for its students while stressing academic quality, first-class faculty and extraordinary learning environments.

Credit hours completed through Concordia University Chicago 33

Total credit hours required to complete the entire program: *(97 + 33) = 130*

| Maximum credit hours transferring from College of DuPage | 97 |

**Notes**

- Students must complete the associate degree requirements prior to taking the additional COD coursework.
- All students should consult with an advisor or counselor to map their academic plan. Students should also refer to specific program admission requirements as stated in their respective college/university catalogs and department web pages.
- Students must register and purchase books through Concordia University Chicago for Concordia University Chicago courses.
- Courses are not listed in sequence. Please consult your academic advisor and the current course schedule to determine when courses should be taken.
- Additional COD coursework beyond the AAS degree must be completed with a “B” or higher.
- The Associate of Applied Science degree must be completed and conferred in order to validate this agreement. Please refer to the student planning worksheet at www.cod.edu/advising/studplan.htm for COD’s AAS degree requirements.
- A student must earn a minimum of 130 credit hours to qualify for graduation with a bachelor’s degree. At least 33 of the 130 credit hours for graduation must be completed through Concordia University Chicago. Students follow the degree requirements for the catalog year in which they enter Concordia University Chicago.
